48 (SPLIT A) The pandemic has led to a surge in telehealth for all kinds of conditions, giving more people better access to the care they need in a setting comfortable for them. Medication abortion at home is another way health care has adapted to the way we live now. But 19 states have banned using telehealth for medication abortion, which is why we need to fight to keep this medication legal. ....	31	20	16	23	10	51	39

51 The right to an abortion is under attack. Clinics have closed. The Supreme Court has a draft decision ending the right to an abortion. Politicians oppose abortion even in cases of rape and incest and have passed laws allowing rapists' families to sue doctors who provide abortion to survivors.
